Boudicca DX Expands Precision Medicine Consulting Services to the US Federal Government

FOR IMMEDIATE RELEASE

January 21, 2025

[Brentwood, Tennessee] Boudicca DX, LLC a best-in-class precision medicine consulting firm is thrilled to announce that it has been awarded a Unique Entity Identifier (UEI) and Commercial and Government Entity (CAGE) code by the United States (US) federal government and is now an active registered Women-Owned Business entity in the US federal government's System for Award Management (SAM).

Boudicca DX, LLC is now positioned to offer its precision medicine consulting services to the federal marketplace by being eligible to bid on federal contracts, apply for federal grants, and receive federal funds. The benefits of SAM registration include a streamlined contracting process for federal government clients, visibility to federal agency opportunities, immediate eligibility to bid on federal contracts, enhanced eligibility for government grants, automatic vendor verification to reduce burden with invoicing and payments, and a platform to showcase that Boudicca DX is a qualified vendor to provide precision medicine consulting services to federal government agencies.
